Lycrafleece™

- Lycrafleece™ is a Lycra® spandex 3 ply laminate designed for the ultimate in patient comfort. Lycrafleece™ has a unique 3 ply construction that makes this material perfect for orthopaedic bracing.
- Lycrafleece™ is our most comfortable and durable material which makes this range of products the elite in medical bracing.
- Lycrafleece™ has unique properties which keep the patient warm when it's cold and cool when it's warm for optimum comfort without sacrificing performance.
- Lycra® Spandex™ gives the material unique stretch and recovery properties whilst a polyester lining material wicks moisture away from the skin to allow greater patient compliance.
