SmartGlove®

Carpal tunnel syndrome (CTS) pain is no match for the IMAK® SmartGlove®.

The patented SmartGlove helps prevent and relieve wrist pain associated with CTS, arthritis and tendinitis by encouraging proper hand and wrist position. In addition to being designed by an orthopedic surgeon, the SmartGlove product has also earned the Arthritis Foundation's Ease of Use Commendation for its design. Read more about the commendation on the Arthritis Foundation's web site.

The IMAK SmartGlove features a flexible support splint; washable, breathable cotton Lycra® for all day comfort; and a massaging ergoBeads™ pad under the wrist, which cushions and improves circulation.

Key Benefits:

- Helps prevent and relieve carpal tunnel syndrome
- Increases comfort and circulation
- Ensures ergonomically correct wrist position
- Cushions and protects the underside of the wrist, including the pisiform bone
- Reversible to fit left or right hand

Use SmartGlove for carpal tunnel syndrome, arthritis, tendinitis, hand fatigue and other wrist and hand pain.

Also great for pregnancy-related carpal tunnel syndrome.

Specifications:

- Available in XS, S, M, L
- Washable cotton Lycra
- LATEX FREE
